All students admitted to M.Sc(Hons.) programmes will be given an opportunity to work under the **Dual Degree scheme** for one of the B.E.(Hons.)/B.Pharm.(Hons.) programmes. Students pursuing dual degrees are awarded both M.Sc. (Hons.) and B.E. (Hons.)/B.Pharm. (Hons.) degrees. For details see BITS website.

2. Eligibility:

For admission to any of the above Integrated First Degree Programmes the candidate should have passed the 12th examination of 10+2 system from a recognized Central or State board or its equivalent with Physics, Chemistry, and Mathematics. Further, the candidate should have obtained a minimum of aggregate 80% marks in Physics, Chemistry and Mathematics subjects in 12th examination, with at least 60% marks in each of the Physics, Chemistry, and Mathematics subjects and adequate proficiency in English.

Students who are appearing for 12th examination in 2010 or who have passed 12th Examination in 2009 only are eligible to appear in the BITSAT-2010. Students who have passed the 12th examination in 2008 or earlier are NOT eligible to appear in BITSAT-2010. Students who are presently studying in BITS at any of its campuses are not eligible to appear in BITSAT-2010.

Admissions will be made purely on merit. The merit position of the candidate for admission will be based on the score obtained by the candidate in the BITSAT-2010. However, their eligibility for admission is subject to fulfilling the requirement of minimum marks in 12th examination, as mentioned above.

First rank students of all the central and state boards in India for the year 2010 will be given direct admission to the program of their choice, irrespective of their BITSAT-2010 score as per the eligibility criteria mentioned above.

In addition to applying for and appearing in BITSAT-2010, candidates will have to apply for admission to BITS giving details of their 12th marks and preferences to different degree programmes offered. The prescribed application form for admission, the detailed application procedure and the final list of degree programmes offered will be available at the BITS website, by 20th May 2010.

3. Details of BITSAT-2010:

It will be a 3 hour duration test, offered to candidates on computers at dedicated computer centers in different cities in India. The test will have objective type (multiple choice) questions only. The test will be conducted during 10th May – 10th June 2010.
